Dear Noel:

This is to confirm that the Waterloo Leisure Services Commission, a department of the City of Waterloo, Iowa is responsible for the ongoing maintenance of **Virden Creek Flood Control Improvements** within its \$2.26 million Parks Division annual operating budget.

It is my understanding that funds are being sought from the I-JOBS Local Infrastructure Program to assist in the construction of the Virden Creek Flood Control Improvements.

The Leisure Services Commission will accept responsibility for proper ongoing maintenance for the Virden Creek Flood Control Improvements as part of the Parks Division maintenance operations.

Sincerely,
